PRICE THREE CENTS

COMMUNITY CLUB ELECTS NEW HEAD

Mrs. C. Arley Farmer Chosen
President at Meeting
Tuesday.

LAST MEETING OF YEAR

Mrs. C. Arley Farmer, of Woodbine and Cleveland avenues, was elected president of the Women's Community Club at its last regular meeting of the season, Tuesday. She will succeed Mrs. Leroy C. Douglass.

Mrs. Farmer has been a resident of Narberth for the past eight years, and has long been active in the affairs of the club. For the past two years she has been its recording secretary.

She is active in musical work and in the Dr. Benjamin Rush chapter of the D. A. R. Mr. and Mrs. Farmer are members of the Narberth Presbyterian Church.

Other officers elected for the coming year at the last regular meeting of the season are:

First vice president, Miss M. C. Runyon; second vice president, Mrs. H. I. McConnell; recording secretary, Mrs. J. A. Hongler; corresponding secretary, Mrs. J. D. Sutherland; treasurer, Mrs. C. H. Shaw. These officers will be installed at the spring luncheon on Tuesday, May 10.

Besides the election, a program displaying the variety of talents in the club was presented under the management of Mrs. Eberhardt Mueller and Mrs. C. A. Farmer.

Paper, The Ideals of a Woman's Club, Mrs. E. C. Batchelor.

Paper, What the Community Has Done for Its Members, Mrs. H. A. Jacobs.

A burlesque club meeting, called "Our Officers—As We See Them," Mrs. C. A. Farmer, Mrs. Eberhardt Mueller, Mrs. H. G. Veneman, Mrs. J. H. Speck, Mrs. G. N. Gill, Mrs. C. F. Haist, Mrs. George Gilpin.

Paper, What the Community Club Has Done for Narberth, written by Mrs. A. B. Ross. Read by Mrs. F. C. Torrey.

Tableaux, Goddess of Liberty, Mrs. H. B. Speed. Lavender and Old Lace, Mrs. J. E. Burrell. An International Group, Mrs. R. J. Nash, Mrs. J. H. Speck, Mrs. A. C. Staples, Mrs. H. C. Fenn, Mrs. J. W. Darville, Mrs. L. B. Edger-ton.

Now and Then, Mrs. C. F. Haist, Mrs. Eberhardt Mueller, Uncle Tom's Cabin, Mrs. William Balling-all, Mrs. George Gilpin, Mrs. G. N. Gill, Mrs. C. H. Shaw, Mrs. H. D. Smith, Mrs. C. A. Farmer, Mrs. J. E. Chappatte played all accompaniments and incidental music.

Punch and cakes were served by Mrs. B. E. Achenbach, chairman, Mrs. J. B. Brooks, Miss Florence Pray, Mrs. J. W. Darville, Mrs. C. F. Haist, Mrs. George Gilpin.

BUS HITS SEDAN

A sedan was badly damaged and a bus passenger shaken up Wednesday afternoon when the car driven by E. N. Johnson, of Lancaster was struck by a Montgomery Bus Company coach at Haverford and Narberth avenues. The sedan, approaching the intersection from Haverford road, turned left toward the Narberth avenue bridge. In doing so he cut the corner so sharply that he was caught by the bus, picking up speed for the Haverford road hill.

Mrs. Margaret E. Rinkenback, of Bala, who was in one of the front seats of the bus, was thrown forward, her head breaking the glass in the windshield. She was badly shaken up, but was not cut. Her daughter, who had just put her on the bus, took her home.

The driver of the sedan was not injured.

LOCAL BOY PLAYS

Fred Fletcher Patten represented Narberth musically at a meeting of the Junior Coterie, held at the home of Mrs. Roberts Le Boutellier, "Panhurst," Wayne, Saturday afternoon, April 23. He played the Andante of the E Minor Concerto by Mendelssohn for the violin, and Kreisler's Tambourin Chinois, in most excellent style, receiving enthusiastic applause.

"PLEASE REPEAT"

A large part of the news matter is sent in for publication by representatives of local organizations. As this is a civic paper, such notices are welcomed.

But Our Town cannot repeat an article from week to week. Instructions to "repeat last week's article" or "run this notice for several weeks" cannot be followed.

Announcements of coming events will be made for many consecutive weeks if news is sent in, but the responsibility for this publicity rests on the "pres agent" who must change the picture each week.

ANNUAL CLEAN-UP HERE NEXT WEEK

Borough Forces Begin Monday to Collect Rubbish from Homes.

OFFERS LAST CHANCE

Are you looking for a good investment—that will require no outlay of money, but that will pay you the biggest and most worthwhile dividends? Dividends in—Health—your own, your family's, your neighbor's and your friends'.

Protection from disease. Security from fire—which means not only lower insurance rates, but the safety of yourself and your family and the preservation of your property.

If dividends of this character mean as much to you as the kind that come from stocks and other financial investments, then prepare to join with the borough authorities in Clean-up Week, which will be observed from May 2 to May 7.

There used to be a time when people imagined that disease and disaster were visited upon the human race by "evil gods," who desired for certain reasons to punish certain groups and nations. In a way, that was plain, old-fashioned buncombe; but in another way it was plain, old-fashioned common sense! The "evil gods" existed, all right—and they exist today. The fallacy of the old idea was that these "gods" existed in weird and terrible forms that were half human and half something else that nobody ever saw, but everybody pictured in their frightened imaginations as being very terrifying.

Those "evil gods" still exist—yes, and right here in Narberth, but today we know that they take the form of uncleanness, trash, waste, stagnant water and various

EPISCOPAL FELLOWSHIP TO STAGE AFFAIR

Banquet at Brynwood Manor Friday Night.

The Young People's Fellowship, a growing organization of All Saints' Protestant Episcopal Church of Wynnewood, is staging a big "get together" meeting in the form of a banquet at Brynwood Manor Inn on Friday evening, May 6, at 6:30 o'clock.

The rector of the church, Mr. Gibson Bell, will be the toastmaster of the evening, and the speakers will be the ever popular Fletcher Stites, Esq., of Narberth, and Rev. John R. Hart, U. of P. chaplain. An orchestra will provide the strains of popular music to accompany the banquet guests who want to make good use of the song sheets they receive during the dinner, and to keep the dancers in step and rhythm who care to make use of the Manor's large drawing room for this purpose after dinner. For those whose voices do not permit them to sing, and whose feet refuse to "carry on" in the dance, there will be interesting entertainment in which the eye and ear can partake, so who could wish for a greater variety?

Naturally, all members of the Fellowship have seen to it that their parents and friends have tickets for this gala occasion, but should there be any reason why anyone interested in the church has not heard about the banquet, the members of the Fellowship take this opportunity of extending a cordial invitation to whomsoever would like to attend. Tickets may be arranged for from Harry Messec, care Montgomery School, Narberth.

KINDERGARTEN TO BE ESTABLISHED

School Board Votes Extension to Public Grades in F

DOLD TAX COLLECTOR

A public kindergarten, a part of the borough school system, will be opened in Narberth this fall.

This was determined at the April meeting of the School Board last Friday night. A petition signed by the parents of more than 30 children was received, requesting the establishment of the kindergarten. The Mothers' Council also fostered the move.

The establishment of the kindergarten was mandatory upon the board upon the presentation of a petition, if signed by the parents of 25 or more youngsters. The school hopes to use one of the Community Building rooms for the classes, which will be held at the same time as those of the rest of the grades. Principal Wilson has been asked to secure the best teacher available to start the new feature.

Final settlement was made to the board at the meeting by former tax collector Raymond C. Jones for all taxes on his duplicated. Those of the year 1924 were not included, as the amount for that year had previously been paid. The board accepted the settlement subject to audit.

Edwin P. Dold, who was elected by Council as tax collector to succeed Mrs. Abbie N. Diven, was appointed by the School Board to fill that post in the collection of school taxes. He will serve until a successor is elected, or until the voters confirm his appointment.

The students will have a longer summer recess than usual this year. The county institute will be held during Labor day week instead of later in the term, and the opening of school will be deferred until September 12.

The schools will close on Friday, June 17.

The board granted premission to the Combs Conservatory of Music in Philadelphia to have their students do practice teaching at Narberth under the direction of Miss Fricke.

Miss Frances Hayes was elected as sixth grade teacher for the coming year. She is a graduate of the West Chester Normal School, has studied at the Columbia summer school and is now teaching in the Kennett Square schools.

James F. Purse was appointed to take the school census during the summer. The board also decided to ask for bids for the construction of a covered passageway between the two school buildings, to protect the younger students during the inclement weather.

GIVES C. S. LECTURE

A very interesting lecture on Christian Science will be given on Sunday afternoon, May 1, at 3:30 o'clock in the Ardmore Theater, by Mr. Frank Bell, C. S. B., of Philadelphia; member of the Board of Lectureship of the Mother Church, the First Church of Christ Scientist in Boston, Mass. The lecture is given under the auspices of the First Church of Christ Scientist of Ardmore.

The public is cordially invited to attend the lecture.

NEW RECREATION BOARD

A reconstituted Recreation Board was announced this week by Burgess Henry A. Frye. The appointment of the new board followed a joint meeting recently of Council and the Recreation Board.

At the meeting it was decided that the heavy expense incidental to the operation of the Community Building made it imperative that Council be well represented on the Recreation Board.

In order to make this possible C. Howard McCarter and Robert J. Dothard withdrew from the board and Clarence Kaerber and William H. Fretz of the Property Committee of Council were appointed. Col. I. A. Miller and Mrs. E. C. Batchelor were requested to continue in office and Mrs. Fletcher W. Stites was appointed to fill the unexpired term of the late A. Perry Redifer.

Board of Trade Votes to Support Officials in Anti-Booze Campaign

A resolution to support the borough officials in their efforts to enforce the illegal sale of liquor in Narberth featured the April meeting of the Board of Trade at the Brynwood Manor Inn.

The resolution followed a long speech by Thomas C. Haydock, head of the Inn management, and an extended discussion. The resolution, as finally worded, was passed without a dissenting vote.

Mr. Haydock urged the members to work for the enforcement of the liquor laws "for the sake of the young men and girls." He declared that the liquor question was as real as a war, and that citizens must align themselves for a long fight. He requested the merchants to take a stand on the question.

The resolution as originally introduced mentioned the support of the laws by members. Several of those present reminded the

meeting that the constitution of the organization covered that point, and that a resolution was unnecessary.

In the discussion which followed the matter was brought out in its local application, and the members agreed that the problem was one of local bootlegging, hip-flasking and similar violations of the laws. The resolution as passed read:

"RESOLVED that the Narberth Board of Trade endorse the work of the authorities in stamping out the illegal sale of liquor and other illegitimate business in the borough of Narberth."

The speaker of the evening was Robert H. Durbin, of Narberth avenue, advertising counsel of Strawbridge & Clothier. Merchandising was his topic.

Mr. Durbin traced briefly his own experience as a business man, informing his hearers that

FLOODS DUE TO LACK OF FORESTED TERRITORY

Rotary Speaker Urges Passage of State Bond Issue.

A plea for the restoral of the forest areas of the United States was made by Edward Woolman, president of the Highland Dairies, at the weekly meeting of the Bala-Cynwyd-Narberth Rotary Club Tuesday.

Mr. Woolman, a naturalist and sportsman and a student of forest problems, stressed several economic phases of the forest problem, in addition to the aesthetic side and the need of recreational wooded areas.

Floods, he said, are due entirely to the lack of forest areas to retain the rainfall as it occurs. The denuding of large areas removes the sponge-like root-growth and permits the top-soil to wash away. As a result rainfall runs off to the streams and results in disastrous floods such as those now devastating the central part of the country.

The conservation of the forests for hydro-electric needs was also urged. The rising cost of coal is making the use of water power of greater importance yearly, and the assurance of a constant supply of water is necessary.

Pennsylvania's problem is one of a nearby lumber supply. In the civil war period, the speaker said, we were the greatest lumber exporting State. Now we import 84 per cent. of the wood for our own needs.

The members were urged to give their support to the coming \$25,000,000 bond issue, by which the State will be able to buy 5,000,000 acres of waste land to be planted to forest. The return on the investment in the value of the timber, he said, would far exceed the finance costs.

Mr. Woolman urged the members to avail themselves of the State parks and forests. There are 24 such forests, seven parks and 31 tourist camps available for the free use of citizens. He spoke of parts of the Cook Forest in Clarion county where there are great areas of virgin white pine.

Interesting maps were given to the members.

PROBATE NARBERTH WILL

The will of Matilda Carmint, Narberth, was admitted to probate last week in the office of Register of Wills Robert C. Miller at Norristown. Her estate is bequeathed to her husband in trust, for his benefit during his lifetime. At his death the estate goes to three sons, James Carmint, Jr., Samuel Carmint and William H. Carmint. The son, James, is named executor. The will was written December 8, 1920.

TENNIS COURTS OPEN

The Narberth Tennis Club courts will be open to the public today and tomorrow. Players are invited to come out, bring friends, and play tennis. And then talk about joining the club.

There will be plenty of application blanks handy. Inquiries are solicited. Officers and members of the club are anxious to give information to all.

BALL SEASON COMMENCES NEXT SATURDAY AT HOME

Narberth Will Play Manayunk A. C. in First Pre-season Game.

Narberth baseball commences next Saturday. Manayunk A. C. will be the first opponent. The game will be played at the Community playground.

Five games will be played by the Narberth team prior to the opening of the Main Line League season. Dunkirk A. C. will open the twilight season here Wednesday, May 11. Ocean Gate A. C. will play Narberth here Saturday, May 14, and the Twenty-first Ward Club, of Philadelphia, will visit here for a contest Wednesday, May 18.

Narberth will play its first game away from home Thursday, May 19. The Orientals K. of P. will be the foe at their playing grounds, Forty-sixth and Haverford avenue, West Philadelphia.

The opening five games are calculated to put the Narberth boys in the best of condition, for the opening league game, May 21.

Fans are urged to aid the team by attendance and by dropping money in the hat passed around at the games. The team hopes to win the Main Line championship this season, but it needs co-operation of the local fans.

Harry Hollar, of Gordon avenue, is looking the games this year, in an endeavor to give the best in baseball. Fred Walzer, manager, appeals for support of the entire community, to make the season a success. Charles Harnden and Robert Crompton will take care of the money as in the past.

William Newborg, chief groundkeeper, will endeavor to find the best possible seats for fans at the home games. Joe Casey will be seen tugging the bats away from home plate with a big ice cream cone in his hand. In the team itself there will be seen many old and some new faces.

TWO STORES GIVE UP

The closing of two stores—a rare occurrence in Narberth, took place during the past week. The Narberth restaurant and the Narberth Home Bakery closed their doors.

The restaurant was established last year by John Gusson on Haverford avenue next to Davis' Store. The bakery was established by Alex Ewald, and was purchased two weeks ago by Oscar Sommer, who gave up the enterprise Monday.

JUNIORS ENTERTAIN

The Junior Community Club entertained members of the senior group at a card party held Thursday evening at the home of Mrs. Wallis Boileau, Wayne avenue. About 40 were present. The evening consisted of bridge, with refreshments and prizes.

The meeting of the Juniors next Thursday night will be the last of the year. Officers will be elected, and an interesting program is promised.

C. W. BATES FILLS COUNCIL VACANCY

Chosen for Place of Late A. Perry Redifer on Board.

ENGINEERING EXPERT

Clifford W. Bates, of 403 North Narberth avenue, was Wednesday chosen by Council to fill the vacancy caused by the death of A. Perry Redifer. The election was part of a special meeting.

The selection of Mr. Bates is the result of a decision on the part of Council to secure a man of technical training for the board. Members have pointed out that the present Councilmen are all "office" men, and that a practical man would be a valuable addition.

Although obscure from a political standpoint, Mr. Bates is familiar with the borough and its problems. He has been a resident of the borough for more than 10 years.

Mr. Bates is a graduate of Yale, where he was an instructor in Electrical Engineering for 12 years. He is now research engineer with the Philadelphia Electric Company. He is a member of the Franklin Institute, the Engineers' Club, Sigma Psi and the American Institute of Electrical Engineers.

Mr. and Mrs. Bates are members of the Narberth Presbyterian Church. They have two children. The new Councilman was out of town at the time of his election, and was not sworn in at that time.

The special meeting took up also the awarding of the contract for the surface treatment of Narberth's streets during the summer months. The bids for this work were received at the regular April meeting.

The treatment of the streets with fine stone and asphalt has in the past been done by Borough forces under the direction of Street Commissioner George B. Suplee. Mr. Suplee recommended the advertising for bids in the hope that the costs could be lowered.

Where it was estimated that the work had cost about 18c a square yard in the past, the three bids received all fell below that figure. The contract was awarded to the Ramsdell Construction Company at the rate of 10.8c per square yard.

TO PRESENT FLAG

Ceremony With Scouts at Legion Room Next Monday.

A flag presentation ceremony will be held next Monday night in the American Legion room in the Community Building, when a flag will be given to the Boy Scouts.

The ceremony will be held before the entire membership of the local scouts, the Fathers' Association and the Harold D. Speakman Post, No. 356, American Legion. The public has been cordially invited to attend.

W. Russell Greene will make the presentation, and several other interesting speakers have been secured for the event, which is to start at 8 P. M., daylight saving time.

In connection with the affair the Legion is planning to hold an initiation class for a group of new members for the local post. The ceremony is said to be a most interesting one, which non-legionnaires have been invited to witness.

TIGERS WIN TWO

The Bowery Tigers, of Narberth, played a double header Saturday morning and won both games. In the morning the Junior Elephants lost to the Tigers 6-3. In the afternoon the Tigers played the Gladwynne Scouts, with a winning score of 6-4.

WILL GIVE SALE

The Evangel Circle of King's Daughters will hold a rummage sale May 25 and 26. Friends having goods for this sale are requested kindly to notify Mrs. H. W. Derby, Narberth 382-W.

NO CHANGES MADE IN MERION TITLE

Five Directors and Entire List of Officers Are Re-Elected.

GIVE EXTRA DIVIDEND

Five outgoing directors of the Merion Title and Trust Company were re-elected Monday night at the annual meeting of the stockholders of this largest banking institution of Lower Merion township. Following this, at the annual meeting of the Board of Directors, all the old officers were re-elected and a quarterly dividend of four per cent. and an extra dividend of four per cent., payable May 2 to stockholders of record April 30, was declared.

Both meetings were held at the Ardmore offices of the trust company. At the stockholders' session which took place first, Richard J. Hamilton, Dr. Herbert A. Arnold, Horace W. Smedley, Harry J. Haas and Charles S. Powell were re-elected for another term of three years.

Reports at the directors' meeting revealed that while the past year had not broken records, business had exceeded that of the previous year.

Rename All Appointives.

The officers who were again elected by the board were: Richard J. Hamilton, president; Herbert A. Arnold, M. D., vice president; Horatio L. Yocum, vice president; Harry C. Bare, vice president; Murdoch Patterson Clancy, vice president; Horace W. Smedley, secretary, and Daniel Leitch, treasurer.

All the appointive officers of the bank were also renamed: They were Daniel J. Kennedy, title officer; Louis D. Patterson, trust officer; David W. Charles, assistant treasurer at the Ardmore office; Robert J. Boyd, assistant treasurer at the Cynwyd office; William H. Fowler, assistant treasurer at the Narberth office; George W. Super, assistant secretary; Horace Entriiken, assistant title officer; Arthur W. Grant, assistant title officer; A. Alfred Johnson, assistant trust officer and William J. Curry, auditor.

BOOK TENNIS MATCHES

Lower Merion Girls Open Season
Next Tuesday.

Seven tennis matches have already been arranged by Manager Frances Gibbons for the Lower Merion High girls this spring. Tennis will be the big attraction for the Main Line students, although interclass lacrosse contests have grown quite popular. Tennis is the only sport in which Miss Stark's proteges will engage in outside competition.

May 3 marks the opening of the racquet season. On that date the Ardmore stars will oppose McKinley H. Stevens' players at Upper Darby. The tilt will be a rather stiff test for the Lower Merion squad, for they will be opposing an experienced team. Upper Darby has already engaged in matches with rival schools.

Captain Jo Landis, who played last year in doubles with Cynthia Metzger, will be one of the dependables on Miss Stark's team. Captain Landis will not be able to pair with Miss Metzger this year owing to the latter's recent operation for appendicitis. Cynthia was one of the school's best stars, but will be out of athletics the rest of the year.

Patty and Betty Sellers plan to fight hard for places on the tennis team as either first or second singles players.

Among the others who are aspiring for places on the tennis team are Helen Cameron, Frances Gibbons, Betty Carlisle, Anne Compton, Kay Walters and Wilma Brown.

LECTURE ON CHRISTIAN SCIENCE

A very interesting lecture on Christian Science will be given on Sunday afternoon, May 1, at 3.30 o'clock in the Ardmore Theater by Mr. Frank Bell. C. S. B., of Philadelphia, member of the board of lectureship of the First Church of Christ Scientist, in Boston, Mass. The lecture is given under the auspices of the First Church of Christ Scientist of Ardmore.

The public is very cordially invited to attend the lecture.

Help the Red Cross in its appeal for the flood sufferers.

MAIN LINE AIDS IN FLOOD RELIEF FUND

Residents, Business Men and Churches Help Swell Total Here.

GIFTS STILL COMING

Mrs. Alexander Brown, chairman of the Main Line Branch No. 1, of the American Red Cross, has received many contributions to the fund for the relief of the sufferers of the Mississippi valley flood.

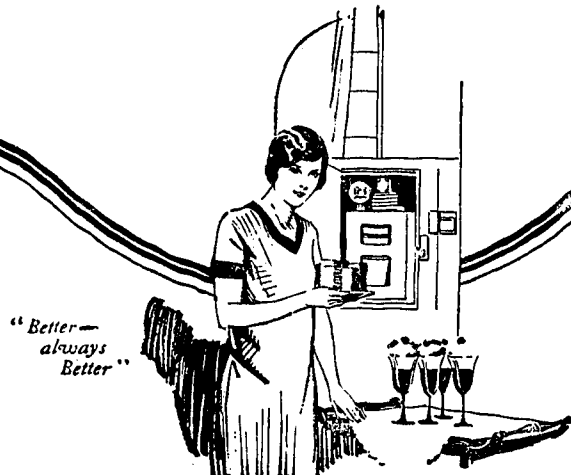

"It is very gratifying to see the spirit of self-sacrifice many are making to the appeal," she said. "Contributions are coming in very generously, but there is still a great need."

Up to yesterday \$1388 had been received by the local branch from churches, residents and business men. Among those who have contributed to the fund are: Mrs. William Alexander, Mr. and Mrs. David G. Alsop, Mrs. Atterbury, Mrs. H. B. G. Bettle, Mrs. Alexander Brown, Alexander Hobson Brown, Miss Edith C. Bunting, Ellen Buzby, Mrs. Fieser, Mrs. Elizabeth K. Free, Miss Free and Master Free, F. G. Jenks, Miss S. E. Johnson, Mrs. Rufus M. Jones, Mr. R. W. Kelsey, Miss Kerr, Patrick McFadden, Merion Title & Trust Co., Miss Margaret E. Morris, Mr. H. B. Price, Miss Mary Price, Miss Marion Price, Mr. and Mrs. F. S. Pusey, Miss Louisa Rawle, Miss Lilian A. Ross, Miss Sarah E. Shupert, Miss Annie D. Shupert, Miss H. D. Sloan, Miss I. A. Sloan, Mrs. R. Penn Smith, Clara P. Swartz, Augustine Thwaites, Grace E. Townsend, J. Randall Williams, Miss Elizabeth Williams, Miss Susanne Williams, Baptist Church of the Evangel, Narberth, Mrs. William Breck, Henry Campbell, Mr. Louis S. Clarke, Miss Mary E. Converse.

JAMES C. McCURDY'S PASSING MOURNED

Hundreds Attend Funeral at
Presbyterian Church in
Ardmore.

G. A. R. DRAPES CASKET

With the death of James C. McCurdy last Friday morning, Lower Merion township lost one of its most outstanding citizens. A member of an old Pennsylvania family that goes back more than a century in this State, James Christopher McCurdy was born in Peach Bottom Township, York county, Pennsylvania, May 16, 1843, son of William James and Alice (Fulton) McCurdy. His wife was a daughter of John Fulton, a relative of Robert Fulton, of steamboat fame.

Mr. McCurdy's education was acquired in schools of his section and in the Millersville State Normal School. In the fall of 1861 he taught school in Lancaster county. During the Civil War he served in the 130th Regiment, Pennsylvania Infantry Volunteers, Company I.

Won Promotion.

Although but 19 years of age, he was made a non-commissioned officer. At the end of his term of enlistment, in the winter of 1863, Mr. McCurdy returned to the work of teaching school and continued in this until 1864, when he re-enlisted in Company D, 192d Regiment and was finally discharged in 1864. On his way home from the army he cast his first vote for President Lincoln and continued to be a staunch Republican.

In 1867 he formed a publishing partnership with Peter W. Zeigler, under the name of Zeigler & McCurdy, with offices in St. Louis, Chicago, Cincinnati and Philadelphia. In 1872 Mr. McCurdy and his partner separated, the former organizing a company called J. C. McCurdy & Co., which he operated until 1896, when he founded the insurance concern known by his name in Philadelphia, and which is now conducted by his son, Frank W. McCurdy. In 1883 he assisted in organizing the Lower Merion Building and Loan Association, of which he had been secretary since 1887. In 1912 he retired from active business, but continued as secretary of the Lower Merion Building and Loan Association and of Cassia Lodge until his death.

In 1864 he joined Mt. Hebron Lodge, No. 516, I. O. O. F., of Delta, Pennsylvania, and in 1879 withdrew and joined Merion Lodge, No. 210, I. O. O. F., of Merion Square, serving in the latter lodge as Noble Grand and Trustee.

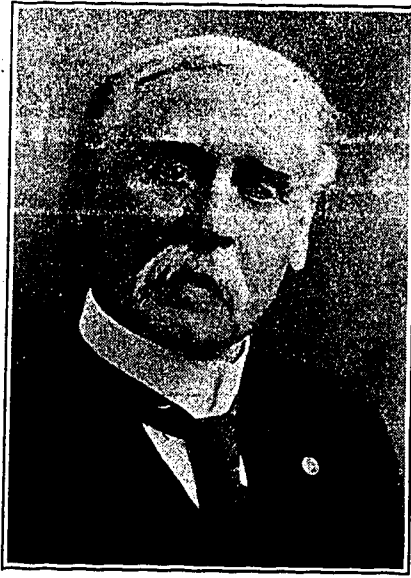

In 1875 he joined Cassia Lodge, No. 273, Free and Accepted Masons; in 1890 was elected its secretary, which position he filled until his death. He was also a member of Montgomery Chapter, Royal Arch Masons, and of Post No. 77, Grand Army of the Republic, of which he was commander in 1918 and the following year served as an aide on the staff of the Department Commander.

Mr. McCurdy's church connections have been interesting. In 1865 he joined the Presbyterian Church in Cincinnati. Coming to Philadelphia in 1867 he united with the North Presbyterian Church, and in 1870 was made an elder. In 1873 he moved from Philadelphia to Merion Square (now Gladwyne) and helped reorganize the First Presbyterian Church of Lower Merion. This was the first Presbyterian Church established in Lower Merion township, its building being erected in 1876. He was Sunday School Superintendent there for thirty-six years, leaving in 1909. He was also elder of the church until 1909, when he moved from Merion Square into Ardmore and was made an elder of the Ardmore Presbyterian Church in 1911.

In 1870, at Merion Square, Pa., Mr. McCurdy married Frances J. Zeigler, daughter of Jacob and Rachel Zeigler, of Merion Square, formerly of York county, Pa., the ceremony being performed by Dr. Agnew, pastor of the North Presbyterian Church, Philadelphia.

His latter years were saddened by the death of his wife, which occurred in 1918. He died suddenly last Friday at his home in Ardmore of Cardiac Angina. He was in good health and worked until the day preceding his death, having assisted at the communion services at his church on Easter Sunday. He is survived by four sons and two daughters: Dwight B. McCurdy, of Chicago; Frank W. McCurdy, of Ardmore; Paul

MOURNED BY MANY

James C. McCurdy, who died last Friday morning, was one of the Main Line's best known and well-liked citizens. Kindly, courteous and considerate, he went out of his way to aid and guide those with whom he came in daily contact.

Z. McCurdy, of Brookline; Mary F., wife of Harvey Reynolds, of Salfordville, Pa.; Rachel A. McCurdy, of Ardmore, and James W. McCurdy, of Ardmore, also a brother and two sisters and 10 grandchildren.

The funeral services, which were held last Tuesday afternoon at the First Presbyterian Church in Ardmore, where Mr. McCurdy had been an elder for the past 16 years, were conducted by the minister, Edmund Grindal Rawson. Before the church services a short prayer service was conducted at Mr. McCurdy's late residence, where three civil war veterans laid a flag on the casket. Following the committal service at West Laurel Hill Cemetery, Masonic ceremonies were conducted by Monroe H. Anders, worshipful master of Cassia Lodge.

Six past masters of the lodge, Charles M. Meredith, William P. Abell, George L. Fowler, Harry T. Leedom, Charles J. Hartley and Howard S. Stillwagon served as pallbearers at the church services which were attended by more than 200 members of the lodge in addition to members of the family and many friends and those with whom he has had business relations.

Mr. McCurdy's loss is keenly felt by many for he filled a unique position in the community, aiding and guiding in their youth many of those who now are successful business men.

Moth Eaten

Some of your expensive furs may be so labeled by the end of summer unless you arrange now to give them the home they require.

For many years Aromatic Red Cedar has been looked upon as the desirable kind of wood for lining storage closets. After all, one of the secrets of a moth-proof closet is one tightly constructed.

By using tongued and grooved boards 3/4 inches thick by 3 1/4 inches wide you can make, or have made, a very acceptable addition to your home comforts. You may also test your ability with tools by making a Cedar Chest similar to the cut shown in one of our previous ads.

Make it a habit to ask us questions about lumber and its uses.

THE FIRESIDE

Mrs. John Nash, of Wynnedale avenue, entertained at bridge last Friday afternoon in honor of Miss Eleanor Smith, of Scranton. There were 20 guests.

Dr. and Mrs. Wray Hughes Hopkins, of Narberth, motored to Cumberland, Md., by way of Harpers Ferry, over the week-end, returning by way of State College.

Miss Emily Maxwell, a student at Bucknell University, is visiting her parents, Mr. and Mrs. H. B. Maxwell, of Merion, over the week-end.

Master Bobby Fleck has been seriously ill with diphtheria for the past week.

Dr. Frederic C. Dunlop, of Vancouver, B. C., is spending some time with his sister, Mrs. Hannah McCaig, of 95 Windsor avenue.

Mr. and Mrs. Edward Mosebach, of York, Pa., visited many of their friends in Narberth during the past week.

Mr. and Mrs. Paul Maston, of Rosemont, formerly of Narberth, are being congratulated on the birth of a son.

Mr. and Mrs. Stanley Diefendorf, of Hampden and Windsor avenues, returned Tuesday after spending several days in New York.

Mr. and Mrs. Frederick A. Anderson, of 409 Dudley avenue, entertained recently in honor of her uncle, Dr. Frederic C. Dunlop, of Vancouver, B. C.

Miss Alethea Lamb, of Brookhurst avenue, is recovering from an operation for appendicitis.

Among Narberth's new residents are Mr. and Mrs. W. G. Compton, who are living at 122 Woodside avenue, and Mr. and Mrs. W. Blake, from Germantown, who are living at 513 Merwen road.

Mr. and Mrs. Henry F. Sullivan, of Brookhurst avenue, are being congratulated on the birth of a son.

Mrs. Charles V. Noel and her mother, Mrs. Fletcher, have gone abroad for the summer months.

Mrs. Charles W. Evans, of 322 Merion avenue, is recovering rapidly from a minor operation.

Mr. and Mrs. Grellet Newell Collins, of Haverford road, are receiving congratulations on the birth of a son, William Hord Collins.

Richard Stites, son of former Senator and Mrs. Fletcher W. Stites, is ill at his home on Haverford avenue.

Two members of the local Legion Post were initiated into the "Forty and Eight" at Norristown Wednesday night. They are Roland Hewitt and Thomas C. Kerrigan. The "wrecking" and parade attracted many legionnaires.

Word was received a few days ago that Charlie Girvin, former Narberth cop and a popular citizen, had quietly taken unto himself a bride and was away honeymooning. The couple will make their home in Rosemont, it is understood.

Mr. and Mrs. W. Mooney, of 155 Merion avenue, entertained friends from Harrisburg over the past week-end.

Mr. Harvey J. Harmon, of Woodbine avenue, a teacher at Lower Merion Junior High School, and football coach at Haverford College, gave an interesting talk last Sunday evening to the members of the Luther League of the Lutheran Church.

The Misses Rose Weigel and Virginia Means, of Wynnewood, were among the guests at the bridge which Miss Katherine Miller, of Cynwyd, gave last Saturday afternoon.

Mrs. Mary M. Livingston, of Chestnut avenue, entertained at bridge last Wednesday evening. Her guests were: Mrs. Frank Sullivan, of Roselle Park, N. J.; Mrs. L. E. Hatfield, of Maplewood, N. J.; Mrs. Lloyd B. Edgerton, Mrs. George W. Martin, Mrs. Ralph MacGuffin, Mrs. George Michener, Mrs. Arthur Burns, Miss Elizabeth England, Mrs. J. S. Harris and Mrs. Louis Sheneman.

Mrs. Frank Sullivan, of Roselle Park, N. J., is visiting her brother, Mr. James A. England and family, of Sabine avenue.

Mrs. L. E. Hatfield, of Maplewood,

N. J., is the guest of her sister, Mrs. J. S. Harris, of 135 Merion avenue.

COMMUNITY CLUB ELECTS PRESIDENT

CONTINUED FROM THE FIRST PAGE

H. E. Shenton, Miss Anna McKeag, Mrs. W. B. Goodall, Mrs. E. C. Town, Mrs. Smith.

Mrs. L. C. Douglass and Mrs. C. N. Anderson, presidents of the club and the board of directors respectively, are giving a joint luncheon to the two boards at the Brynwood Manor in on Tuesday, May 3. Immediately afterwards, the Executive Board will adjourn to Mrs. Douglass' house for a meeting.

JOHN CURTIS

Philadelphia Journalist Dies at Narberth Home.

John Curtis, of 105 Grayling avenue, died Tuesday morning at his home. He was 60 years of age and had been ill of bronchitis for 10 days.

A resident of Narberth for the past five years, Mr. Curtis had been identified in a quiet way with several local activities. He was a director of the Narberth Civic Association several years ago.

He was one of the earliest American producers of grand opera in English and was the author of several works on the history of opera. He was associate editor of The Bulletin, being in charge, among other things, of the "Motor Pathfinder" feature of that paper.

Mr. Curtis was the founder, and for eight years president, of the Philadelphia Operatic Society. After resigning from this organization he organized and served as president of the Behrens Opera Club, which suspended with the world war.

During the period of his connection with opera, Mr. Curtis, one of the first to produce opera in English in the United States, staged 30 such productions, all in Philadelphia. He was the author of "One Hundred Years of Opera in Philadelphia," and wrote a play, "A Strenuous Courtship," which was produced by Klaw & Erlanger, as well as the librettos for a number of big spectacles produced by Kraly at various expositions both in this country and in Europe. Among these spectacles were "Louisiana," at the St. Louis Exposition; "Pochahontas," at the Jamestown Exposition, and "The Carnival of Venice," produced in Europe.

Mr. Curtis was born here November 11, 1867, the son of Mr. and Mrs. John Curtis. He was educated in the public schools and after some years in the photographic supply business entered newspaper work. He was connected with The Philadelphia Press, The Evening Telegraph, The Evening Times, The North American, Public Ledger, and for the last 13 years with The Evening Bulletin. He is survived by his widow, the former Miss Caroline Potter, of Germantown. His son, John Curtis, Jr., died in Narberth several years ago and the father never fully recovered from the shock.

Funeral services were held yesterday and interment was made at Westminster Cemetery.

PREACHES ON REVELATION

Will Deliver Series of Sermons on Amazing New Testament Book.

In a day when "Ask Me Another" and "Do You Know?" and "Try This One" are familiar phrases, perhaps we may be permitted another question: "Do you understand the Book of Revelation?"

A lady said recently: "As a child it frightened me." A gentleman replied, "As a child I didn't read it at all!" Then he added, "I haven't read it as a man, either!"

This is generally true. It is the most avoided book of our Bible. Yet it has a very distinct message! Would you like to hear it?

The outline of the sermons is as follows: "A Drama of the Ages"—Prologue: "The Time is at Hand," Act I, "Seals and Trumpets," Act II, "Vials of Wrath," Act III, "The New Jerusalem," Epilogue: "Even So, Come, Lord Jesus."

SURPRISE PARTY

A surprise birthday luncheon was given yesterday noon in honor of Arthur Grant, assistant title officer of the Merion Title & Trust Co., at the Square Cafe in Ardmore.

MERCHANTS TO BACK ANTI-BOOZE CAMPAIGN

CONTINUED FROM THE FIRST PAGE

he had been in the department store business 30 years and a resident of Narberth for 20 of those years.

"In 1907," he said "there was a drug store, a grocery store, a coal yard and Davis' store in the borough. The present big commercial section has arisen since that time."

The speaker advised the merchants in matters of service contributing to the success of the local business men in getting the residents to trade at home.

"Most folks prefer to trade near their homes," he said, "if the service and values are right. Most of us still prefer the old-fashioned corner store where the buyer is known, and where his wants can be taken care of in a personal and intelligent way."

Mr. Durbin stressed the value of advertising, calling attention to Narberth's old advertising slogan, adopted in 1915 by the Civic Association: "The Year Round Home Town." He praised "Our Town" as a medium for advertising business and the town as a whole.

President Chris Koch conducted a short business meeting, at which reports of various committees were received. Five new members were taken in. They are Bert S. Smith, Dr. H. F. McDuffee, J. Paperman, Edward S. Haws and Salassin and Freed, promoters of the new motion picture house.

The committee in charge of the selection of a slogan and emblem reported that the five designs submitted were unsatisfactory, and that the competition for the two \$10 prizes would be extended until May 18. Details of the competition will again be published in "Our Town" next week, and if satisfactory entries are not received, the prizes will be awarded to one of the original entrants.

President Koch urged the members to see that parking was sensibly enforced, claiming that patrons of stores parking for a short time on the south side of Haverford avenue were being reprimanded.

CLEAN-UP WEEK

CONTINUED FROM THE FIRST PAGE

other unsanitary conditions, and what firemen and insurance brokers call "extra fire hazards."

To assist out citizens, the borough Government, working through the Highway Department, has arranged a special schedule of "clean-up collections." Street Commissioner Supplee will have extra men and additional vehicles to cart away the trash. Everything possible will be done to assist the individual householder in making Clean-up Week the big success that it ought to be.

But at bottom it is a job for the individual citizen. It will, of course, mean a little extra work, but it is extra work that is well worth while. Go through your house—especially your cellar—and clean up everything that you don't need or want, and get the stuff ready for the clean-up collection. Old papers, rags, waste material of any kind that is of no value, but has a habit of accumulating even in the best regulated households, should be gathered together and put out for Clean-up Week.

Wherever possible cellars should be whitewashed—a fresh coat of white-wash is good for the preservation of the walls of a cellar and equally good for the preservation of the health of the human beings who live within those walls.

Now, too, is the time to clean up lawns and gardens. Holes should be filled, and trash of all kinds gathered together and put in receptacles for the clean-up collections. Places where water can stagnate breed mosquitoes. Get ready for Clean-up Week. Clean up—inside and outside the house. Let's make this 1927 clean-up the best Narberth has had, and collect some of those dividends in health protection from disease and security from fires.

FIRST 'TAS DRY

And Now Warm Weather Is Needed. Says Weatherman Decker.

"A good rain fell," says Charles Decker, Main Line weather observer, in his weekly report. In fact, his report is all wet. And that isn't all. The temperature for the week varied from 89 degrees to 29 degrees.

Precipitation was 1.42 of an inch, making a total of 2.13 inches from April 1 to 27. The barometer varied from 30.30 to 29.79. Temperature deficiency since April 1 is 53 degrees, and compared with the same period last year the deficiency this year is 86 degrees.

"A good rain fell on April 22," says the report, "when 1.21 inch penetrated well into the ground, followed by light showers on the 26th.

April Book List

Following is the list of books purchased by the Narberth Community Library during the month of April. These books are now ready for distribution.

Non-Fiction.

"The King's Henchman," Edna St. Vincent Millay. A lyrical drama produced by the Metropolitan Opera Company; "The Road to the Temple," Susan Glaspell. The romantic life of George Cram Cook as told by his wife.

Fiction.

"The Allingtons," May Sinclair. The emotional development of several children growing up in an English country house.

"Back of Beyond," Stewart Edward White. An African story in which a woman's taunt is the making of a man. "Bill the Sheik," A. M. Hutchinson. A gay story of a girl who goes to the desert expecting to find real love.

"Black Knight," Ethel M. Dell. The romantic story of a girl who marries the man she dreams about.

"The Call of the House," Ruth Mitchell. A young woman, a political boss, and romance.

"Children of Divorce," Owen Johnson. What happens to the children of divorced parents.

"Dawn," Irving Bacheller. Romance of a Greek girl in the time of Christ.

"The Deadfall," Edison Marshall. A great adventure story and a great sermon.

"Goosefeather Bed," E. Temple Thurston. Of romantic love and a woman's desire to be free in spite of the glamour of circus life.

"The Interloper," E. P. Oppenheim. The story of a warped and bitter man.

"Job's Niece," G. L. Hill. The daughter of a one-time wealthy family this modern heroine acquires the patience of Job and all ends well.

"The Laughingest Lady," Elinore Stone. A delightful story of an American school teacher's experiences in Mexico.

"The Mortuary Grange Affair," J. S. Fletcher. A baffling detective story.

"Odalisque," L. M. Hussey. A South American girl's revolt against almost mediaeval seclusion and the seclusion and the sacrifice she makes for love.

"The Old Countess," Ann Douglass Sedgewick. An old woman who clings to youth and the part she plays in the lives of three young people.

"P. P. C." Natalie S. Lincoln. An exciting mystery tale of Washington society.

"Rogues and Vagabonds," Comp-

HEAR ABOUT PEACE

The Woman's Foreign Missionary Society of the Methodist Episcopal Church will hold a meeting on Monday at 3 P. M. at the church. There will be a very interesting program on "Peace."

Miss Margaret Jenkins, of Germantown, who recently returned from Mexico, will be the speaker. All women of the community are cordially invited to attend, especially those interested in missions of any denominations.

PROPOSALS

Sealed proposals on behalf of the School District of the Borough of Narberth will be received by the Secretary up to 7:00 P. M., Eastern Standard time, May 20, 1927, for the construction of a covered passageway on the school property as follows: to join the two existing school buildings; to have cement walk, stone foundations, hollow tile plastered on both sides, five feet high; sash above this the entire length on both sides; roof is to be flat tin roof which is to cover stairway leading to basement in the west school; passageway to have two doors in it—one on each side; bid is to include painting and glazing. Further details can be obtained from the Principal, George H. Wilson, at the offices of the School District. Bids are to be mailed to the Secretary, L. A. King, Narberth, Pa., as above stated. The board reserves the right to reject any or all bids.

By order of the Board, LEROY A. KING, Secretary.

(5-13-27)

DIVIDEND NOTICE

At the meeting of the Board of Directors of the Merion Title & Trust Company, held April 25, the regular quarterly dividend of 4 per cent. and an extra dividend of 4 per centum was declared, payable May 2 to Stockholders of Record, April 30. Checks will be mailed. DANIEL LEITCH, Treasurer.

ASTOUNDING GAIN
SHOWN IN REPORTReduce Bacteria in Milk 95
Per Cent. in 11
Years.

Dr. Bertrand K. Wilbur, president of the Lower Merion Board of Health, was able to point with pride to the improvement of the public health in the township, in his nineteenth annual report, accepted at last week's meeting of the Township Commission.

"The milk supply of the district is actually under reasonable control," the report shows. "What was deemed impossible is really being done . . . an improvement of the milk supply that is truly remarkable. The bacteria in all grades of milk have decreased from 615,000 per cubic centimeter in 1915 to 29,500 in 1926. This means a reduction in bacteria of 95 per cent."

"The health work of the township cost \$12,233 last year, when fines, fees, etc., are deducted. This is over \$1300 less than the year before, and is about 40 per cent. on the basis of 30,000 population."

"Up-to-date health authorities would probably claim that a township like Lower Merion ought to be ashamed to spend less instead of more on its health work from year to year. If that were the whole story doubtless they would be right. The saving, however, comes from the economies of co-operation, by nine municipalities, in Milk Control District No. 1, which serves an estimated population of about 90,000."

Increases Efficiency.

"This co-operation not only increases efficiency, but decreases cost of enforcement. But for it Lower Merion alone would pay 100 per cent. of the cost and the total amount for the township would not be much less than the total for the area. By this plan the cost has been gradually reduced to 58 per cent. of the total in 1926, and under the new plan will be a little less than 30 per cent. of the total."

"The saving is the result of cutting out duplication of administrative expense, inspections, etc. Is it surprising that this plan has become a model for the entire State? The board has been able to reduce its estimated budget for next year by \$1300, and still believe itself to be within the limits of efficiency and safety."

"Comparison of contagious disease records shows an improved proportion to population increase. Lower Merion has been freed from typhoid entirely."

"There is closer co-operation between the School Board and the Board of Health. . . . All effort is especially directed to the prevention rather than the control of diseases or epidemics, for of course, prevention is the great aim of all health work."

"During the year Dr. Grim, Milk Control Officer for the entire Milk District, made 41 inspections of Certified farms, 237 inspections at farms where Raw Inspected milk is produced, and 210 inspections at Pasteurizing plants, making a total of 488 inspections. Seven hundred and eight milk handlers have had a thorough physical examination every six months."

Other excerpts from the thoroughly comprehensive and painstaking report of the Health Board follow:

"Formal notices of nuisance in the number of 228 were received and handled in addition to the many observed and taken care of in the 14,400 miles the health officer has traveled in the township during the past year. All restaurants and eating places were inspected monthly with a check-up on the semi-annual health examination of employees."

"Nearly 1100 rooms were fumigated by Health Officer Marvin E. Reynolds, in addition to 38 rummage sales. A fly campaign was carried on with the help of the Boy Scouts."

"Five certified dairies, 25 inspected raw dairies and 13 pasteurization plants furnish the public milk supplies of the district. The milk treated by the 13 pasteurization plants is obtained from at least 5000 dairy farms and comprises 87 per cent. of the total volume of milk consumed. Ninety routes and 60 retail stores distribute the milk."

"Certified milk is produced in five dairies with 1546 cattle, which are tested regularly for tuberculosis. To this class of dairies, 2130 tuberculin tests have been applied, and 19 cattle condemned. For other ailments, 39 cows were removed by the Milk Commission as a result of the examinations, and 187 cattle were removed temporarily from certified herds by the producers themselves."

"Milk and cream to the number of 1483 samples were purchased during the year from milk wagons and stores, and subjected to analysis by the chemist. When milk was found below standard in fat content or in cleanliness, etc., notices were sent dealers, to a total of 488."

"Twenty-four suits for the enforcement of the Milk Ordinance were brought during the year by the Milk District, including 11 for violations within Lower Merion."

"No epidemic disease traceable to the milk supply has occurred during the year."

Tribute is paid Mr. Samuel M. Heulings, internationally known dairy engineer, who volunteered his services gratuitously in the interests of the milk consuming public, aiding Milk Control Officer George W. Grinn.

COUNCIL MEETING

CONTINUED FROM THE FIRST PAGE

The Ramsdell Company is familiar with Narberth street work, having laid the new streets under the \$75,000 bond issue last year. The work this summer will include the application on certain streets of Barber asphalt and one-half inch slag chips.

Report of Highway Committee.

Unless the weather should remain unseasonably cold, we plan to discontinue the winter schedule of ash collections on April 29. The following week the men and the trucks of the Highway Department will be used for the clean-up week collections of rubbish and thereafter, until September 26, ash and rubbish collections will be made only one week each month. In order that we may plan now for the various street and sewer jobs which must be done during the time when weekly ash collections are not necessary, we ask the approval of Council now on the following recommendations:

That the surface water 24-inch terra cotta pipe be installed along the south side of Haverford avenue and Avon road westerly to Essex avenue with one curved inlet at Dunne's corner; one curved inlet at Crane's corner; one straight inlet at Cooper's corner (all at the intersection of Haverford and Narberth avenues) and two straight inlets on Avon road, the two latter to be paid for by Lower Merion township in accordance with arrangements which have already been made with the Township Commissioners. We recommend that this work be started on Monday, May 9, and pushed through to completion as rapidly as possible.

We recommend that a curved inlet be installed at the corner of Maple and Elmwood avenues, emptying into the storm manhole at Maple and Woodside avenues through a 10-inch terra cotta pipe. We ask authority to spend not more than \$279 on this job.

We recommend the installation of two inlets at the intersection of Chestnut and Wynnewood avenues at a total cost of not more than \$226 in order to complete an improved surface water drainage system which was started last year.

We recommend that storm inlets be installed at the corner of Essex and Chestnut avenue, to be connected with the storm manhole which is about 378 feet west of Essex avenue at a total cost of not more than \$500.

We recommend the installation of a storm water city type inlet at the southeast corner of Windsor and Essex avenues at a total cost of not more than \$53.

We recommend that, in view of the present rapid deterioration of the surface of the concrete roads on Haverford and on Windsor avenues, they be covered with oil and chips at the same time other streets are being resurfaced and at the same price per square yard which we expect to obtain from bids which will be opened by Council this evening.

We recommend that we be authorized to repair the sidewalk and curb in front of the fire station because there is no question that they have been damaged by the passage of the borough trucks to the gasoline filling tank in front of the fire house.

We recommend that we be authorized to proceed this season to widen the cartways with Buckite in those gutters on various streets which in our opinion are most in need of it. This recommendation, if approved, will mark the beginning of a change in policy whereby the individual property owners will be relieved of responsibility for the maintenance of gutters. It is not our intention that this recommendation should imply that any or all property owners are so relieved from the time of its adoption.

Owing to the impossibility of getting the grass on the playground regularly mowed by hand mower at a price that is reasonable, and to the impossibility of getting it done by horse power at all, we recommend that this committee, acting with the advice and approval of the President of Council, be authorized to dispose of our present horse-drawn mower at the best possible figure and to obtain one which is propelled by a gasoline engine.

The recommendations contained in this report and the plans for resurfacing certain streets, for which bids have been advertised, include all of the summer jobs which we are now able to foresee, and if these recommendations are approved by Council, it will be our intention to complete all of them at whatever times may seem most suitable prior to the middle of September.

During the past month we have repaired the places where the gutters were damaged by the busses of Price and Essex avenues and at Forrest and Haverford avenues at a total cost of \$121.38. We have billed the manager of the Bus Company for one-half of that amount, or \$60.69, in accordance with the arrangement which Council had previously made with him.

During the month of March we expended \$181.58 for materials and \$1340 for labor. The labor items were as follows: Collection of 1162 cubic yards of ashes, \$896.35; street cleaning, \$285.36; street maintenance, \$101.77; sewer maintenance, \$11.88; recreation field, \$24.12; Community Building, \$13.68; storage building, \$6.94.

CHOSEN FOR JURY

Six from Narberth were drawn for jury duty on the May Civil Court, according to notice from Norristown. Their names and terms of duty follow:

Week of May 2—Frank W. Cortright, William J. Kirkpatrick and Anton E. Wohler.

Week of May 9—Osborn Graves and Frank Super.

Week of May 16—J. S. Williams.

Church Notes

Baptist Church of the Evangel.

Robert E. Keighton, Minister.
Sunday, May 1, 9.45 A. M.—Church school, worship service in the auditorium preceding the lesson period; 11 A. M.—Morning worship and communion, sermon—"Our Lord's Supreme Appeal." At the close of the services there will be the reception of new members and the observance of communion; 7 P. M.—Young People's Devotional Service; 7.45 P. M.—Evening worship. Sermon, "A Drama of the Ages." Prologue, "The Time Is at Hand." One of the strangest books to modern readers is the Revelation, with which our New Testament closes. This sermon is the first of a series of expositions from a modern viewpoint.

Tuesday, May 3—10.30 A. M., White Cross meeting; 2.30, Annual meeting of the Women's Association to which all the women interested in our church are invited; 8 P. M., trustees' meeting in the church.

Wednesday, May 4—8 P. M., prayer service. Topic: "Thoughts That Moved Jesus." "I—God As Father."

Friday, May 6—7.30 P. M., Young people's social evening at the church.

Saturday, May 7, 8 P. M.—Wanted have a good time? Come to the Young People's "kid party." Remember, dress like a youngster!

The Presbyterian Church.

Rev. John VanNess, M.A., Minister.

Meetings for Sunday, May 1:
9.45 A. M.—Bible school. It is urged that as far as possible all be present on time.

11 A. M.—Morning worship. Subject of sermon—"The Only Potentate."

11 A. M.—Junior church, under the direction of Mrs. A. S. Digley.

6.45 P. M.—Senior Endeavor meeting.

7 P. M.—Junior Endeavor meeting.

7.45 P. M.—Evening worship. Sermon Theme: "Christianity and Bonfires."

The week's schedule:
Monday evening—Class for the study of the new Sunday's lesson. Miss Harrison is the teacher and all are invited.

Wednesday, 8 P. M.—Illustrated lecture by Mr. J. H. Davies, representative of the American Sunday School Union.

Friday, 8 P. M.—Session meeting at the home of Elder A. H. Wilson.

All Saints Church.

Rector, Rev. Gibson Bell.

8.00 A. M.—Holy Communion.
10.00 A. M.—Church school.

11.00 A. M.—Holy Communion and sermon by the rector.

Anthem, "The Lord Is My Shepherd." Clokey, choir of 40 voices.

7.00 P. M.—Junior Fellowship.

First Church of Christ, Scientist.

Woman's Club Building.

Ardmore Avenue, Ardmore, Pa.
11 A. M.—Sunday services.

11 A. M.—Sunday school services.
Wednesday evening testimonial meeting, eight o'clock.

Reading room, 19 West Lancaster avenue, each week day, 10.30 A. M. to 4.30 P. M.

The subject for the Bible lesson sermon for Sunday, May 1, is "Everlasting Punishment."

Narberth Methodist Episcopal

Sunday, May 1.

9.45 A. M.—Bible school, Hon. Fletcher W. Stites, superintendent.

11.00 A. M.—Morning Worship, Holy Communion. Anthem, "No Shadows Yonder," Gaul. Quartet, "His Love for Me," Ackley.

6.45 P. M.—Epworth League devotional meeting.

7.45 P. M.—Evening worship. Anthem, "The Twilight Shadows Fall," Quartet, "All to Jesus," Geibel.

The Woman's Foreign Missionary Society will hold their monthly meeting at the church on Monday at 3 P. M. Miss Margaret Jenkins, of Germantown, recently returned from Mexico, will be the speaker. Her subject will be "Peace."

The regular monthly meeting of the Sunday School Board will be held on Wednesday evening after the prayer service.

Prayer and Praise Service on Wednesday at 8 P. M.

A musical by the choir will be given on Thursday evening, May 12.

Mother's day will be observed next Sunday, May 8.

Holy Trinity Lutheran Church.

Rev. Robert J. Wolf, Acting Pastor.

Services will be held Sunday, May 1, as follows:

9.45 A. M.—Bible school.

11.00 A. M.—Morning service. Sermon, "The Man Who Justified Himself."

6.45 P. M.—Junior Luther League.

7.00 P. M.—Senior Luther League.

7.45 P. M.—Evening Service. Sermon, "The Man Whom Christ Justified."

A NEW CITIZEN

Last Saturday evening Mr. and Mrs. Howard Cotter, of 222 Sabine avenue, gave a theatre party in honor of the twenty-first birthday of their son, Howard F. Cotter, Jr. The guests attended the Mask and Wig performance returning home afterwards for a midnight supper. The party included the Misses Ellen Pray, Adelaide Bowden, Elizabeth England, of Narberth, and Dorothy Wilson, of New York, and the Messrs. Jack Cotter, William Heard and J. Herbert Cooper.

MR. WILSON TO SPEAK

Mr. George H. Wilson, principal of the Narberth School, will be the speaker at the next meeting of the Mothers' Council. His subject will be "Discipline." The meeting will be held on Monday evening, May 9, at 8 o'clock, in the Narberth School auditorium.

CLEAN UP

PAINT UP

Home Built Before Revolution Is Moved to Modern Haverford

In the new section of Haverford adjoining the Merion Golf Links there now stands a house only three years old, but every brick, every stone, and even most of the wood-work and glazing dates from 1754. It formerly stood at Fifty-eighth street and Florence avenue, in southwest Philadelphia. For all these years it has been in the possession of one family and has been occupied by eight successive generations.

When, in 1923, it seemed the old house must be razed to make way for new developments which had transgressed upon the old farm home, a friend of the owners who was imbued with a love for the antique came along with suggestions to help them out of their predicament.

He proposed moving every bit of the old house to a new site, and a spot in Haverford was selected. Accordingly, the house was taken apart and every piece of it tagged and numbered. Mrs. George Taylor, the owner, and H. Louis Duhring, the architect who suggested the change, worked from September to February transporting and checking the pieces.

With but slight revision of the shape and size, and some concession to modern ideas in building, the old home rose again on its country site.

Part of an old kitchen has become a garage, but the hooded first floor, the broad chimney for the fireplace, and the stately tower similar to one on Independence Hall, have been retained. Some of the old paneling was sent to a museum in Detroit, but the remainder, with the old hand-wrought hardware, was built into "Whitby New," as old "Whitby Hall" is now known.

Mrs. George Taylor was Miss Julia Thomas. She inherited the old house through successive generations from Colonel James Coultas, who built it. Mr. Coultas, an Englishman, owned the ferry which crossed the Schuylkill at Market street. He was the first promoter of Schuylkill navigation, wagering 100 pounds he could bring two barges of hay up the river to his ferry. He was the man who laid the cornerstone for old St. James' Church, which still stands near the first site of "Whitby Hall."

All of the old woodwork has been mortised in and strengthened, the walls are as good as new, and the old house, which has witnessed 163 years of Philadelphia history, stands an equal chance with its new neighbors of seeing many more.

COURT ADDITION

Plans Being Pushed in Order to Be Ready for Next Jury.

The new Courthouse at Norristown will have attractive marble steps leading from the corner of Penn and Swede streets to the walk at the top of the terrace. This will take the place of the present winding stairway on Penn street. The walk will be widened and will lead to entrances of both the old and the new buildings.

The County Commissioners are endeavoring to have the revised plans of the Courthouse addition, including the erection of the marble steps, completed and placed before the next Grand Jury. If this becomes impossible, however, the plans will not reach the following Grand Jury until the September term.

The Commissioners are anxious for an early completion of the plans, since the last two Grand Jury reports were to the effect that the addition was badly needed and that haste was necessary in the construction of the new building.

LAST CONCERT

Main Line Orchestra Will Play May 8.

The Main Line Orchestra concert on Sunday afternoon, May 8, at the Ardmore Theater will be the fifth and last of the series for this season. Adolph Vogel, conductor, announces a very interesting program made up of works of Suppe, Tschaiakowsky, Delibe, Wagner and a string number by Otto Mueller, the Philadelphia composer. Miss Charlotte Simons, soprano, will sing "Caro Nome" from Rigoletto and a group of solo numbers in the second half of the program.

The Main Line Orchestra Association announces that this has been the most successful season not only as regards the increase in the membership list but also as regards the wonderful work done by the orchestra, which has increased too

HAVERFORD LOSES DUAL TRACK MEET

Lower Merion Nine and Two-third Points Ahead, Lose at Ball, Win at Tennis

TRACK CAPTAIN STARS

Lower Merion High School sank Haverford in a dual track meet on the latter's field Tuesday afternoon by a score of 47.5-6 to 38.1-6. Houseman, brilliant captain of the Merion team, flashed form in the 100, 220, broad jump and relay race, winning the first and taking second in the last three.

Material came to light which shows much promise for the future. As usual Norristown and Lower Merion are each heading for district honors. Chester this year has, however, shown surprising strength and will most likely be one of the heavy contenders for the suburban crown.

An important baseball game was dropped at Norristown the past week to Fishburn's charges by 7 to 6 score. "Horsie" Dohan pitched good ball, but poor fielding went against the Merion chances. Greenness and inexperience were plainly evident in the Merion make up, but the home lads put up a snappy game withal.

Derry Fuller, Jim Knipe, Dockins, Purring and Fricke were all awarded medals last Friday morning for high standing in their respective indoor pentathlon classes.

Last Friday seniors commenced writing in competition for a coveted medal given annually by the Alumnae Association to the author of the best judged historical essay. With the winning of the senior medal usually goes commencement honors, thus the lively competition on the part of the seniors.

The topics written on by the seniors this year were "Philippine Independence," "The Negro Problem," "The Federal Reserve System," "Farm Relief," "Mass Production and the Effect Upon the American Standard of Living," "Social Effects of Immigration," "Prohibition and Its Enforcement," "Our Inland Waterways," "History of Haverford College," "Noted Men and Women of the Main Line."

The juniors taking American history were also open to competition for the medal given by the Merion Chapter of the D. A. R. This year's junior contest marks the first for that class. The subjects upon which the juniors wrote were "Our Caribbean Policy," "Valley Forge and What It Means to Me" and "Policies Undermining the United States."

The announcement of the winners of the contests will not be made until commencement evening on Friday, June 10. The student body is at present interested in the new athletic association constitution, which is being drawn up. Several clauses had to be reconstructed after a meeting of the advisory board.

New systems of election for managers had to be experimented with and it was necessary to find one which would be most adaptable to the present and future needs of the school. A complete reorganization is taking place and more modern methods, modeled on the styles of college athletic association organizations, are being incorporated into the new draft.

The last day for the completion has been set at May 16.

See This Amazing New Shaving Invention -KRISS-KROSS Stropper

Most Surprising Device Ever Patented. Makes A Single Razor
Blade Last Indefinitely And Gives You The Coolest, Slickest
Shaves of Your Life. Nothing Like It Ever Seen Before!

FREE Demonstration-No Obligation

Here is a chance for you to see for yourself the astonishing shaving invention the whole country is talking about. (Probably you've already read about it in Liberty, Colliers and other big magazines.)

Kriss-Kross is so surprising that it is hardly fair to call it a stropper. It is really a super-stropper or blade-rejuvenator. Fits any kind of safety razor blade (except Durham-Duplex) and

actually gives you hundreds of shaves where you only got one before. It's positively sensational. Kriss-Kross stroppers your blade with a diagonal stroke—just like a master barber. Entirely automatic. Eight "raky" leather grooves" do the trick in 11 seconds with an accuracy it takes a barber years to learn.

But that's not all. Kriss-Kross stroppers from heavy to light. It's absolutely uncanny how the pressure gets lighter and lighter every stroke until an automatic jig flies up and tells you the blade is ready with the keenest cutting-edge steel can take.

Kriss-Kross will give you the most wonderful shaves of your life. No more expense and bother about remembering to buy new blades! No more "raking" with dull ones! Keen, velvet-smooth shaves forever—that's Kriss-Kross!

Get FREE Demonstration

Tear out this ad and save it. It will enable you to get a new kind of razor I am giving away FREE to introduce Kriss-Kross stroppers—and entitles you to a FREE demonstration in your own home. Absolutely no obligation. This offer is limited to clip this out and drop me a postal tonight—or better still, telephone me. Why not do it now?

Echoes of The News

Have the lion and the lamb lain down together? Borah comes out and says that Coolidge is entitled to a second election as President. Perhaps he likes the sound of "Coolidge and Borah."

The papers reported a few days ago the election of another young woman as "beauty queen" who does not bedaub her face with cosmetics. This is refreshing. The judges in this case must have been men.

Mayor-elect Thompson of Chicago declared the gunmen would all be gone inside of 90 days, and the next day two youths slew a kindly old man for \$59.

A photograph of the Queen of the May for a Kansas college shows the young lady clad in a string of beads. There is an optimist of an early spring for you.

John Ringling, the circus man, is named in a \$2,500,000 suit involving oil well property. We don't know whether Ringling has the best show this time or not.

All the glamor has been removed from the Dearborn Independent since the information came out that "Ford's Own Page" is, in fact, written by an employee.

Someone has patented a full-size bathtub which will fit on the back of an automobile. It will be a great convenience to tourists who are caught away from home on Saturday night.

Questions asked how automobile speeders can be controlled. Well, one excellent way to control many of them would be to put them in jail.

Sir Thomas Lipton, the British yachtsman, once was the driver of a mule-drawn street car in New Orleans. No wonder he has never been able to get up much speed since then.

The artists complain the people are spending money for automobiles rather than pictures. But, even if so, the artists can get a job painting the automobiles.

Two girl pupils in a Kansas rural school are reported not to have misspelled a word in three years. They should be able to pick their jobs and name their own terms as stenographers when they get through with their school work.

Vice President Dawes holds that the "slush fund" committee is still in possession of all its powers for investigation of election irregularities. But has Mr. Dawes succeeded in convincing anyone that he is an authority on Senate rules?

We never realized how many fools there were until the "What Do You Know?" lists began to appear.

Edsel Ford says he made a mistake and now wishes he had a college education. If it could be arranged there are a lot of young men in this country who would sell him one for a fraction of his cash assets.

The Sapiro-Ford libel case is quite as free from news sensations as the ordinary hearing on railroad rates.

WILL MARRY AGAIN

Ardmore Contractor Obtains His Third License.

Filippo Cirrito, 77-year-old contractor, of No. 222 Simpson road, Ardmore, obtained a license in New York city last week to be married for the third time. His bride will be Mrs. Benedetta Tabascu, aged 55, of New York, a widow.

The couple stated they would be married in the Municipal Building, but did not give the date.

Mr. Cirrito's first wife died in 1921. He divorced his second wife, Guvannina, in Montgomery county, in March of 1925. He was born in Italy.

Mrs. Tabascu's first husband died last year. She is also a native of Italy.

You can't
look at a tire
and tell how
far it will run

YOU CAN'T SEE a tire carcass because it
is covered by the tread. Yet the way
this carcass is built tells how far the tire
will run.

Dunlop has had 39 years to learn all the
hidden points where tires wear. Dunlop
carcasses are built from the best long fibre
cotton, spun in Dunlop's own mills into the
famous Dunlop cable-twist cord.

These cords are elastic, so they give and
take as your tire runs; strong, so they resist
constant load and pounding. They build
the best possible foundation for the Dun-
lop tread—the toughest rubber develop-
ment known.

Thus Dunlop's extra years of experience
build added value into every vital tire-
part. That is why, not one Dunlop—but
every Dunlop—gives you more service
than you can reasonably expect.

We recommend that you put Dunlops
on your car

FOUNDERS OF THE PNEUMATIC TIRE INDUSTRY

"DEATH TRAPS AND PITFALLS"

"Philadelphia's streets are in deplorable condition. The adjective is mild in the circumstances. It scarcely characterizes a situation general throughout the municipality. The city's main highways, its cross streets and suburban lanes are cratered. Death traps and pitfalls are to be found in almost every road and avenue."

Thus wrote The Public Ledger a few days ago, and thus many suburbanites have discovered when they have ventured into Philadelphia in their cars. Damage to autos and danger to life and limb make trips to the metropolis unhappy excursions.

Suburban shoppers are turning to their own business sections, where traffic, parking and highway conditions make a trip safe and pleasant. In Narberth more and more residents are expressing appreciation of the perfect network of highways throughout the Borough.

Narberth has one of the best street systems in this part of the country---a system which makes shopping here easy for resident and visitor alike. There are no traps or pitfalls---either in the streets or in the clean, complete and honest shops which serve the needs of their customers.
